Demo form with filter and CalendarView with intervals and normal dropdown

Very similar to Demo form with filter and ConfiForms CalendarView with intervals and dropdown for choices and to Demo form with a dynamic filter and CalendarView with intervals field, but uses just a usual dropdown for storing choices

Data in the form

Name	Used when
sledge	Jun 11, 2016 02:41 - Jun 20, 2016 02:41
