A form to enable registrations of "New Employees" (with advanced integrations capabilities which create JIRA issues in corresponding teams to track progress on different actions, creating accounts in 3rd party system (payroll), and notifying the facilities staff about new employee and creating request for the access card)

The screenshot shows a 'New Employee Registration' form with the following fields and options:

- Name ***: Text input field with a person icon.
- Photo**: 'Choose Files' button, 'No file chosen' text, and a note: 'If not, a photo can be taken at the security desk'.
- Manager ***: Text input field with a person icon.
- Department**: Dropdown menu.
- Start Date ***: Date picker (format: MMM dd, yyyy) with a calendar icon and a note: 'When new employee starts'.
- Create payroll account**: ☐
- 24H Access (office)**: ☐ with a note: 'If not checked then access will be restricted from 7AM to 7PM.'
- Enable access (user level)**:
 - ☐ JIRA
 - ☐ Confluence
 - ☐ Dropbox
 - ☐ Office 365
 - ☐ Workday

At the bottom left is a '+' button, and at the bottom center is a blue 'Submit' button.
