

Support Request Form

Please use this form to request support on Atlassian add-ons developed by Vertuna LLC

Please make sure you are using **a recent (or latest) version of the plugin**, you are trying to request the support for.

Please **update the plugins as frequently as possible**. We constantly invest our time and lots of efforts to make our plugins better and more advanced, and strongly advice you to use the latest versions of our products available.

Powered by **Confiforms** add-on. Made with love.
