Vader: There is no escape. Don't make me destroy you. Luke, you do not yet realize your importance. You've only begun to discover your power. Join me, and I will complete your training. With our combined strength, we can end this destructive conflict, and bring order to the galaxy!

Luke: [wincing] I'll NEVER join you!

Vader: If only you knew the power of the dark side. Obi-Wan never told you what happened to your father.

Luke: He told me enough. He told me you killed him.

Vader: No. I am your father.

Luke: [shocked] No. No. That's not true! That's impossible!

Vader: Search your feelings, you know it to be true

Luke: NOOOOOOOOO!!! NOOOOOOOOOOO!!!
